### REQUEST FOR REVIEW OF PATENT TERM ADJUSTMENT

MAIL STOP ISSUE FEE  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

It has recently come to our attention that there may be an error in the patent term adjustment calculated by the U.S. Patent and Trademark Office for the above-referenced patent application. Specifically, the patent term adjustment pursuant to 35 U.S.C. 154(b) of 68 days indicated on the Determination of Patent Term Adjustment, PTOL-85, may extend the term of this patent by too many days.

Specifically, the PTA calculation may be incorrect because it does not include 60 days of Applicant delay between the Office Action dated December 28, 2004 and the Request for Continued Examination that was filed on May 27, 2005. In reviewing the PTA calculation on PAIR, the undersigned attorney noted that the RCE was incorrectly listed as filed on May 27, 2004, rather than the actual filing date of May 27, 2005.

Please review the calculation of the patent term adjustment and make corrections, if necessary.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Stephen C. Smith", written over a horizontal line.
